BSides Winnipeg 2013

Opening Ceremonies

Welcome to BSides!

- The first ever BSides in Winnipeg!
- The first technical security conference in Winnipeg!
- And it's hosted at the famous King's Head pub!

Staff

- A huge thanks to the organizers…
  - Ron Bowes
  - Colin Childs
  - Mak Kolybabi
  - Andrew Orr
  - Jay Smith
  - Alex Weber
- And also to our various volunteers!
- If you need anything, look for somebody wearing a "Staff" badge

WiFi

- If you want to hook up to our network, feel free to use our wireless connection!
    - SSID: TBD
    - Passphrase: TBD
- Graciously sponsored by Voi Networks

Venue

- The King's Head is letting us use their venue free of charge!

- Meals will be provided, and were paid for by various sponsors

- Please be respectful, don't make a mess, please drink a lot!
  - (We want them to invite us back next year ☺)

- Meals will be served at noon and 5pm, both days
  - It's buffet style, when it's gone it's gone!

Streaming

- All talks will be recorded and streamed on UStream:
  - http://www.ustream.tv/user/BSidesWpg
- They will be available to view on Vimeo afterwards
  - https://vimeo.com/bsideswpg
- All recording equipment sponsored by VideoPool!

SkullSpace

- None of this would have been possible without SkullSpace!

- One of our first goals when founding SkullSpace was to host an infosec conference in Winnipeg

  - (Our other goals involved a foosball table)

- Three years later, here we are!

BSides Background

- Started planning in July/2012
- Didn't do much for the first 9 months…
- Then got it done!

Events...

- CTF
  - Aka, "Capture the Flag"
  - Goes from 6pm Friday – 6pm Sunday
  - Winners will be announced at the Closing Ceremonies on Sunday
  - Open to everybody, only participants can win prizes though

Events...

- Wireless village
    - Being run by Colin Stanners
    - Play with wireless tools!

Events

- On Saturday evening…

  - Stick around the King's Head and party!

  - Go to SkullSpace to chill and work on projects or the CTF or just watch some movies

  - Go see local bands The Ripperz, Clipwing, and Dangercat at Union Sound Hall (starts at 10pm)
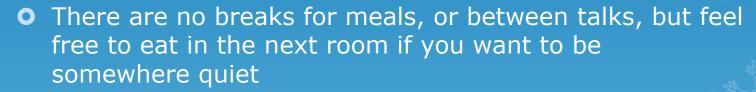

Talks

- We have 16 talks, counting this one (8 each day)
  - You should all have a schedule!
- There are no breaks for meals, or between talks, but feel free to eat in the next room if you want to be somewhere quiet
- After talks, speakers are encouraged to have an informal Q&A session in the spare room!

Sponsors

- We couldn't have done this without our sponsors!
- Tier 3:
  - Seccuris
- Tier 2:
  - Dash9 Security
  - Octopi Managed Services
  - Marcus Jungbauer
  - Microsoft
  - Tenable Network Security
  - ThreatGauge
- Viper Network Systems
- Tier 1:
  - On-Call Software
- Custom tier:
  - King's Head Pub
  - SkullSpace
  - VideoPool
  - Voi Network Solutions

Thanks!

- Thanks, and enjoy the talks!
- For up-to-the-minute news and schedule changes, please…
